

The 2009 Symposia Series

The Biosystems Division of Leica Microsystems cordially invites you to attend the
2009 Educational Symposia Series

"Advances in Histology and Immunohistochemistry Techniques"

You will learn about exciting advances that are shaping the Histology laboratory, earn five (5.0) free CEU credits,
and see demonstrations of state-of-the-art laboratory solutions for your workflow challenges.

Guest Speakers

Richard W. Cartun, Ph.D., *Director, Histology & Immunopathology, Hartford Hospital*

"Immunohistochemistry Update: Where Do We Stand with Standardization?"

"Immunohistochemistry for Infectious Agents"

Alvin W. Martin, M.D., *Medical Director, CPA Lab, Norton Healthcare, Inc.*

"The Utility of Immunohistochemistry Testing in Hematopathology"

And the following speakers from Leica Microsystems:

Mark Rees, Ph.D., *Marketing Manager, Novocastra™*

"A Review of the Clinical Utility of New Novocastra Antibodies"

Katja Lehmann, Ph.D., *Manager, Workflow Consulting*

"What's the Buzz about Lean?"

Jan Minshew, HT, HTL (ASCP), *Marketing Manager, Core Histology*

"Let's Talk Histotechnology"

Lawrence Patton, BS, HT (ASCP), *Applications Specialist/Trainer*

"Green Histology"

Date: Wednesday, August 12, 2009

Registration and Continental Breakfast: 7:30 a.m. to 8:30 a.m.

Meeting: 8:30 a.m. to 4:00 p.m.

At noon, we invite all attendees to enjoy a complimentary lunch and the chance to network.

Joint Morning Session

Afternoon Breakout Sessions:

Session A: Pathology Practice Insights

Session B: Green/Lean Histology

Session C: Histotechnology

Hilton DFW Lakes Executive Conference Center

1800 Highway 26 East

Grapevine, Texas 76051

Hilton phone: 817-481-8444
